

Less Vacancy · More Tenants · Better Returns

HOW DOES IT WORK?

-  Inspection times and dates for your property are listed on the internet through our custom-designed software. Register Online.
-  Genuine 24/7 system. 40% of tenants book inspections after normal business hours.
-  Our system allows numerous inspection times to be nominated, meaning more prospective tenants can arrange to see your property.
-  When an inspection is booked, the tenant receives an instant confirmation.
-  Tenants also get reminders, via SMS and/or email, about their upcoming inspection one day and one hour in advance.
-  Our software is also accessible from smart phones (such as iPhones) & tablet computers (such as iPads) - so appointments can be arranged anytime, anywhere.
